DIRECTOR'S NOTES

I am so pleased to have your attendance at our 13th Annual Hair Show. During the 5 years I've been at Cameo College I have always assisted with the Hair Show, but this will be my first time producing and directing the show and I couldn't be more excited! I appreciate you supporting the talent we have in store for this November evening.

The 7 Wonders of the World was the inspiration for our theme this year. This show will capture you emotionally as we unfold different cultures and histories from around the globe. You will join us on a visual journey that showcases the amazing talent of our students; who have put in many hours, inspirations, and research to produce the 7 Beauties of the World.

Culture plays a big part in our everyday life and in shaping the future of the world. We could not think of a better way to show how beautiful everyone you come in contact with is, then by sharing a snapshot of their culture on stage! My amazing students and staff have dedicated not only their school life, but also their home life to bring you this amazing show!

I hope you have an unforgettable experience tonight as you sit back, relax, and watch our show. Thank you again so much for coming to our Hair Show and supporting our creative industry and your local family businesses.

Sincerely,

Jade Faulkner
Cosmetology Director

BRENDA SCHARMAN
owner & president

As 2017 comes to an close, I am excited to end this year with our Annual Student Hair Show Competition. The theme, the 7 Beauties of the World, reflects the growth of Cameo College; we are always striving to improve, while still holding true to our core values. And like the 7 Wonders, Cameo College has been built by a team of dedicated individuals over the 48 years that it has been in my family. With my talented daughter, Rickie Mehl, by my side and the

commitment of the leadership here, I know that Cameo College will continue to head in the right direction. The Hair Show is a perfect opportunity to share our dedication to education and our students' passion for the field of beauty.

The recipients of the proceeds for 2017's Hair show is CAWS. We have all watched the devastation the hurricanes have caused our neighbors with heavy hearts, and while many efforts have been made to help, the injured and lost pet residents are often forgotten.

I want close with a big thanks to everyone who has made these past 48 years possible; our staff, students, clients, graduates, and the salons & spas who hire our graduates. I look forward to sharing this exciting evening of hair and adventure with you.
